The number of students for each class is limited, to guarantee useful teaching and the possibility that students can work in a peaceful and truly professional manner. For this reason, **precedence is exercised by those who decide to take the OPEN routes and book by 31 of May.** Those who opt for only ballet or only contemporary courses, will receive confirmation of registration after 31 of May.

The final show on Saturday evening, in an open-air city theatre, will stage the choreographies created during the contemporary workshop courses, included in the registration fee.

N.B. The deposit paid as confirmation is not refundable in the event of waivers or defections not due to the organization. Areadanza reserves the right to change the event program. **Scholarship winners fee:** 50% of the 6-day OPEN rate + € 50 for the Areadanza card, (to be paid: 50 € by 31.05.2025, the others at the check-in). **Payments** can be made by bank transfer to the IBAN account: **IT93R 05034 13903 000 000 002 249** of Cassa Risparmio Pisa Lucca and Livorno, in the name of **AREADANZA**, with reason: *name and surname of the dancer - Summer Intensive*.
